

PIP Process Log

Fill in the table below each time you do some work on your PIP following the guidelines. It is only required to be a brief dot point entry.

Date and time spent	Comment (Work done, sources used)
Questions and ideas to consider when filling in the Process Log: <ul style="list-style-type: none">• What was the information I got and where did I get it from?• What was the key point I was working on?• How useful was the information source I used?	
EXAMPLE: 7th September 50 minutes	EXAMPLE: <i>I found a variety of websites and began to research my question. The main website I used during this session was www.????.com. This seemed to be a particularly useful website. I also began constructing a plan for my PIP and thought about the different mediums I could use to present it.</i>
